EXHIBIT A

Release of *a portion of* BPA right-of-way Tract APP-1-A-5

That portion of Bonneville Power Administration (BPA) Tract APP-1-A-5, which is located in the SW1/4NW1/4 of Section 36, Township 24 North, Range 7 East, Willamette Meridian, King County, Washington, and fully described in that certain Contract and Grant of Easement, recorded as Document No. 20010410000791 in the records of said county, that lies north of BPA survey station 794+90, which station is located 10 feet south of the center of that certain transmission structure designated as STR 1/8 on the BPA Tanner Tap to Snoqualmie-Lake Tradition No. 1 Transmission Line.

Reserving unto BPA, all rights granted under said Contract and Grant of Easement as an additional burden to the property encumbered by the existing Transmission Line Easement which was recorded on May 9, 1967, as Instrument No. 6173180, Volume 4929, Page 124 in the records of King County, Washington. The purpose of the additional burden is to allow the construction of one or more lines of electric power transmission facilities and to standardize the rights of the United States.

PARTIAL RELEASE OF EASEMENT

This PARTIAL RELEASE OF EASEMENT ("Partial Release") is entered into as of October 24, 2012, by and between the United States of America, Department of Energy, Bonneville Power Administration ("BPA") and Puget Sound Energy, Inc., a Washington Corporation ("PSE").

In consideration of the mutual benefits that accrue to the parties and the property hereto, BPA and PSE agree as follows:

Easement. The following instrument shall be referred to as "the Easement".

> That instrument dated December 20, 2000, and recorded on April 10, 2001, as instrument No. 20010410000791, records of King County, Washington.

Partial Release of Easement. BPA hereby releases unto PSE only that portion of the Easement encumbering the strip of land adjoining the westerly edge of, running parallel with, and located outside of BPA's Echo Lake – Monroe 500kV Transmission Line corridor, as described in Exhibit A, attached hereto and by this reference made a part hereof.

Reservation. All other rights obtained by BPA under the Easement are reserved by BPA, and shall remain in full force and effect.

The rights herein released are no longer required by BPA for electrical transmission line purposes and are released pursuant to the Acts of August 20, 1937 (50 Stat. 732, 16 U.S.C. §832) as amended, and regulations and delegations of authority issued pursuant thereto.

EXHIBIT A

Release of *a portion of* BPA right-of-way Tract APP-1-A-5

That portion of Bonneville Power Administration (BPA) Tract APP-1-A-5, which is located in the SW1/4NW1/4 of Section 36, Township 24 North, Range 7 East, Willamette Meridian, King County, Washington, and fully described in that certain Contract and Grant of Easement, recorded as Document No. 20010410000791 in the records of said county, that lies north of BPA survey station 794+90, which station is located 10 feet south of the center of that certain transmission structure designated as STR 1/8 on the BPA Tanner Tap to Snoqualmie-Lake Tradition No. 1 Transmission Line.

Reserving unto BPA, all rights granted under said Contract and Grant of Easement as an additional burden to the property encumbered by the existing Transmission Line Easement which was recorded on May 9, 1967, as Instrument No. 6173180, Volume 4929, Page 124 in the records of King County, Washington. The purpose of the additional burden is to allow the construction of one or more lines of electric power transmission facilities and to standardize the rights of the United States.
